

Acer rubrums

BOUNTIFUL FARMS

Frank Jr. #15

October Glory #7 late winter

Acer rubrums are known for glossy, green summer foliage and brilliant fall color.

Frank Jr. (Redpointe® Maple) is an excellent cultivar with a fast growth rate and refined form. Especially resistant to leaf chlorosis.

October Glory is a fast growing female cultivar. Attractive red flowers appear in spring before leaves emerge.

Franksred (Red Sunset® Maple) is one of the hardier red maple varieties.
