

BOUNTIFUL  
FARMS

# Sambucus INSTANT KARMA®

The vibrant Instant Karma® Elderberry boasts lacy, green foliage with margins that emerge yellow in spring and change to creamy ivory as the season progresses. Abundant, lemon-scented blooms adorn the tree, followed by dark purple berries in late summer. This deciduous tree can be pruned or left to grow naturally shrubby. Thrives in full sun or part shade. Disease and deer resistant.
